

INDUCTION SCHEDULE

LONDON

Welcome to January Induction 2025!

Here are a few key things to note to get you started:

All students need to attend Induction.

Your campus induction is designed to introduce you to everything SAE has to offer. Attendance at each session is crucial to ensure you start off strong!

For each day on the schedule, arrive on campus 30 minutes before the first activity.

Staff will be ready to guide you to each activity's location.

International Students - make a note of your International Enrolment session!

As an international/EU student, we have some checks we have to complete to kickstart your journey with us and ensure you have a smooth start at SAE.

Remember, we are always here to help you along the way.
